Electric	Customer to set up personal account

- Dockage is due in full. Dockage is non-refundable & non-transferable for any reason.
- The season is May 15, 2017 through October 15, 2017. **Boats in water prior to and after season are subject to daily transient dockage and electric fees.**
- Priority for seasonal dockage will be given to our winter storage customers.
- A two night minimum is required for transient dockage reservations along with a 100% deposit. Transient customers have 2 weeks prior to the arrival date to cancel less a \$75.00 cancellation fee. If cancellation is within 2 weeks of the arrival date, the deposit is non-refundable. If cancellation is due to foul weather, than the deposit may be applied towards another stay prior to September 2017. If cancellation date does not allow for rescheduling within the same boating season, the deposit will be forfeited.
